

*Here are the guys who just established the Baltimore United Tippler Club (BUTC) we've written about, and we're proud to state that they're now affiliated with the FTS; from left to right: Donte Miller, Scott Johnson, Darrone Delly, Michael Jordan, Calvin Monroe, Gregory Campbell'n Arthur Foster*

*Road Trip:  
Manjit Singh  
with two of his  
pigeons in  
South Riding,  
VA*

*My next stop on the road trip  
was Yul Foster's loft in Balti-  
more, MD. Here's Yul call-  
ing some of his pigeons in for  
supper. Yeah that's a lot of  
power lines and telephone  
wires, but what's a Tippler  
man to do?*

*Clockwise:  
Manjit Singh  
with Aman-  
deep, Armanjit  
and Simran in  
S Riding, VA*

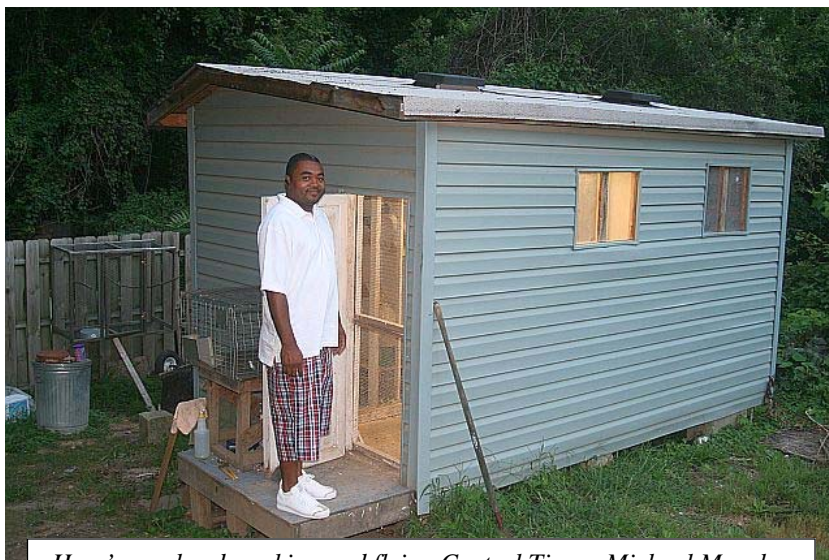

*Here's Charles Samuel, President of the Baltimore Maryland Tippler Union (BMTU) in front of his Tippler loft in Baltimore, MD*

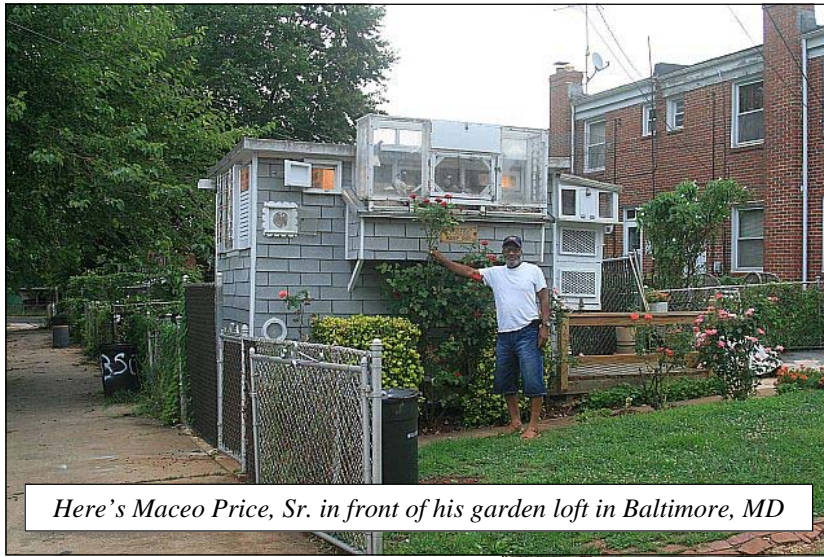

*More road trip action, here's Charles Samuel, Thomas Scott 'n Yul Foster in front of Thomas' loft in Baltimore, MD*

*Here's our hard working and flying Central Timer, Michael Murphy, Jr. at his loft in Baltimore, MD*

*Here's Maceo Price, Sr. in front of his garden loft in Baltimore, MD*

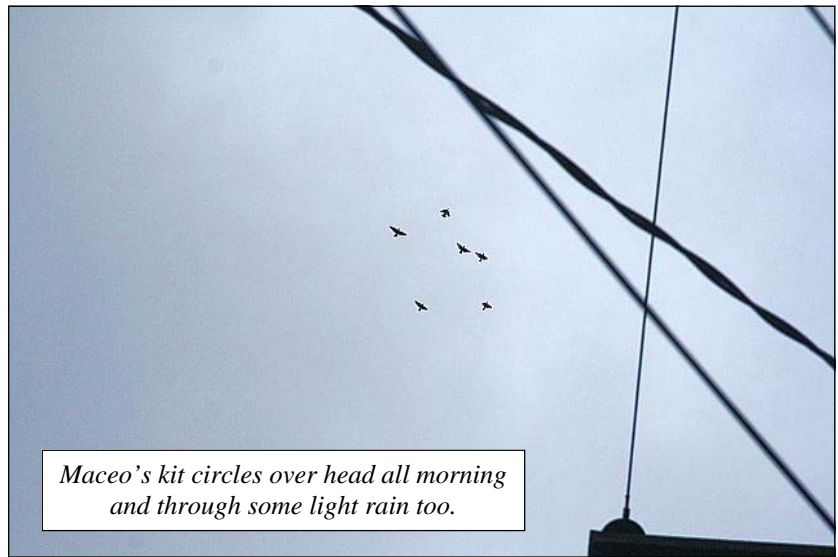

*Maceo with hands full of cucumbers and green bell peppers*

*Maceo tossing up a kit of his Tiplers for a training fly into a cloudy sky.*

*Maceo's kit circles over head all morning  
and through some light rain too.*

*And this is what it's all for; a cabinet full of silver 'n  
gold and a lifetime of Tippler flying memories.*
